CHURCH OF THE HOLY NAME OF JESUS

SINCE 1854

Dear Sister/Brother in Christ

**SPONSORSHIP FOR HNJ COMMUNITY IT CENTRE**

Greetings from the Church of the Holy Name of Jesus Balik Pulau. I hope this finds you in the best of health.

We often take for granted that everyone owns a computer or knows how to use one. Many might even own more than one computer. I was surprised to find out some children in Balik Pulau don't know how to use Microsoft Office simply because a computer considered as a luxurious item to their family.

As I believe that IT and computer skills would better their lives, the church of the Holy Name of Jesus is currently working on building the HNJ Community IT Centre. This Centre will empower these children with skills and confidence in using a computer, is non-profit based, run by volunteers and welcomes everyone regardless of age, race, ethnicity and creed. We hope to launch the IT Centre by September this year.

What we currently need is your support. Lesson plans and syllabus have already been arranged but we currently lack computers, funds and trainers. I therefore sincerely appeal to your generosity for contribution in cash, kind (used but usable/new computers) or any form of computer related products such as tables, chairs, keyboards and printers.

I sincerely hope that you would help to make the HNJ Community IT Centre a reality so that we could provide these children with a better future. I sincerely thank you for the consideration of my request and do contact me at the Parish Office to discuss how you could help with the HNJ Community IT Centre.

Yours Brother in Christ,

Rev. Fr. Anthony Liew
